

Learning Provision During Partial/Full School Closure

Dear Parents,

Assalamu alikum w w

We hope you are in the best of health and Iman at this anxious time.

As you are no doubt aware, we have been collaborating and working with our staff to identify the best way to continue delivering education that is inclusive and supports all our pupils. This document outlines how we will provide teaching and learning while our school is in full or partial closure.

We will be delivering Core Subjects content every day. PSHE will be delivered once a week. A Foundation Unit will be delivered 3 times a week. On a Friday, teachers will catch-up with their class; discuss learning difficulties and/or deliver a creative activity.

Booklets will be prepared on a weekly basis, with activities that will be used during live learning, and activities that children will be expected to complete independently to consolidate learning or address learning gaps. All activities will be completed on paper. Activity booklets and a reading book will be collected every Monday; completed activity sheets will be returned at this time. **This means that screen time will be limited and all children have equal access to learning materials.**

Standards for quality of work and presentation will remain high.

When work is returned, please only send **COMPLETED** tasks. This means that:

Pack Date	Return tasks from	Collect tasks for
11.01.2021	NA	Tuesday 12.01.2021 - Monday 18.01.2021
15.01.2021	Tuesday 12.01.2021 - Friday 15.01.2021	Tuesday 19.01.2021 - Friday 22.01.2021
22.01.2021	Monday 18.01.2021 - Friday 22.01.2021	Monday 25.01.2021 - Friday 29.01.2021

We will also be providing a pack of learning resources for children to use while they are learning from home. This will include, but is not limited to: a mini whiteboard and pen; a pencil/pen; ruler; maths resources and statutory word lists. These items must be used carefully, and returned to school when school resumes as normal.

Parents may need to provide easily accessible resources to support learning. We will provide a list of materials regularly, via email and with weekly booklets, so please look out for these. If you are NOT able to provide any of these items, please contact the School Office.

Government guidelines recommended G-Suite (Google Classroom/Meet) or Microsoft Teams for online teaching – we have opted for Google Classroom due to its easier interface and accessibility.

Children will be given instruction and provided with Online Learning Protocols regarding the use of Google Meet on **Monday 11.01.2021**. Every child MUST login during their class timeslot. Regular teaching will begin from **Tuesday 12.01.2021**.

‘Live Teaching’ - children accessing learning during teaching hours;

- Children (attending school and at home) will log in from devices during the scheduled session times.
- Teachers will deliver teaching instruction using Google Classroom and Google Meet.
- Children will complete their learning activities on the worksheets provided in the weekly booklets, with teacher supervision
- Teachers will review learning activities; children will live-mark

‘Catch-Up Teaching’ - for children unable to access learning during scheduled hours:

- Children will access outside of school hours with login as and when able
- Teaching material will be uploaded to Google Classroom
- Children will watch the teaching instruction
- Children will complete their learning activities on the worksheets provided in the weekly booklets

NB: The timetable has been structured so that EVERYONE can access a live Reading session every day, at home or in school.

We realise that learning in this way will be a new experience for both students and teachers so we ask parents to be patient with any glitches as we navigate this new method.

As always, we are grateful to you for choosing Al-Islamia for your child/ren's education, and hope to continue providing a high quality of education to support your child on their learning journey.

Please stay safe and make Du'a that we come away from this pandemic in good health and Iman. Ameen.

Wassalam

The Al-Islamia Team
