

This week, we have lots of events happening at Al-Islamia:

- Anti-Bullying Week
- Parliament Week
- Maths Week England

At Al-Islamia, during Maths Week England, we will be focusing on developing multiplication fluency. Multiplication fluency is also a target that we will be working on from now until December 2023 via a Multiplication Challenge that will be introduced to the children at the end of this week.

Maths Week

Children will be learning to:

- Recite the times tables in sequence (2, 4, 6, 8,...) to the 12th multiple
- Use the format: '1x2 is 2'
- Quickly respond to discrete time table questions such as '7x2?' - the aim is to respond within 5 seconds.

We would like you to support this objective by encouraging your child to recite, practice and respond to times tables as often as possible. The times tables for each year group are as follows:

Year 1	2, 5 & 10
Year 2	2, 5, 3 & 10
Year 3	2, 4, 5, 6 & 10
Year 4	All times tables (7, 8, 9 and 12 will be taught)
Year 5	All time tables
Year 6	All time tables

Please remember the school in your Dua's.

We promote **IKHLAS**:

Inspiration – **Knowledge** – **Healthy Living**
Leadership – **Aspiration** – **Spirituality**
